

# DLX 90 GAS FURNACE

# KeepRite<sup>®</sup>

This KeepRite® furnace comes with the newest heating technology and quality components to give you the ultimate in climate control. You get outstanding quiet, maximum energy savings, and exceptional warranties to assure you of long-lasting satisfaction.

### Comforting quiet.

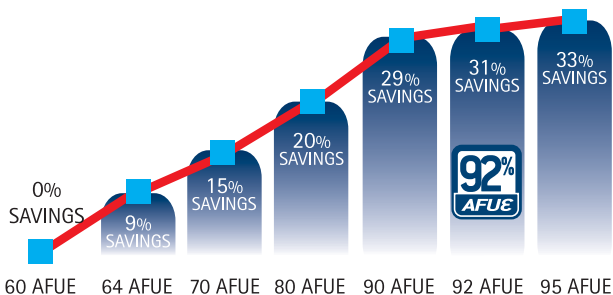

Quality construction leads to quiet performance that adds to your comfort.

Paying extra attention to details pays off in both energy savings and reducing noise. Insulation and a steel cabinet do double duty, both reducing sound and retaining heat to make maximum use of fuel. The multispeed circulation blower has also been designed to run quietly as well as efficiently.

### Standing the test of time.

This furnace is built to last for years with components designed for durability as well as efficiency and safety. The advanced ignition system uses space-age materials for maximum reliability. The heat exchangers are made of stainless steel and constructed weld-free to prevent cracking problems. Safety is handled by a single-stage gas valve operation, special sensors, and limit controls.

### Higher AFUE Equals Greater Energy Savings

Percentage based on national averages; may vary according to efficiency of current unit and installation.

### Maximizing energy.

The 92% AFUE<sup>1</sup> rating is your assurance that the DLX 90 doesn't waste fuel—or your money.

The weld-free interlocking clamshell construction and the integrated ripple-edged design of the patented RPJ® III heat exchanger increase heat transfer. The stainless steel secondary heat exchanger resists corrosion and adds to the efficiency.

<sup>1</sup>AFUE stands for Annual Fuel Utilization Efficiency.

### Trouble-free warranties.

Every KeepRite unit is backed by exceptional warranties, including our No Hassle Replacement™ limited warranty\*, which gives you a replacement unit if the heat exchanger should fail within the first year.

You also get up to a 10 year<sup>8</sup> parts limited warranty\* and a lifetime limited warranty\* on the stainless steel heat exchanger. And don't forget to ask your dealer about HELP® extended service agreements for additional worry-free protection for parts and labor coverage.

\*See published warranty for complete details. To learn more about all of these limited warranties, including the No Hassle Replacement limited warranty, go to [KeepRite.com](http://KeepRite.com).

<sup>8</sup>Subject to conditions. Ten year warranty requires timely registration. See detailed additional information on back page and Warranty Certificate at [KeepRite.com](http://KeepRite.com) for complete details.

Action required. Please see warranty certificate for details.

## DLX 90 GAS FURNACE

**1 Reliable**  
Direct Hot Surface Ignition System features an advanced silicon nitride igniter for greater reliability.

**2 Durable**  
RPJ® III primary heat exchanger has a ripple-edged design that forces more heat to the outside surface for higher efficiencies. Made of corrosion-resistant, weld-free stainless steel.

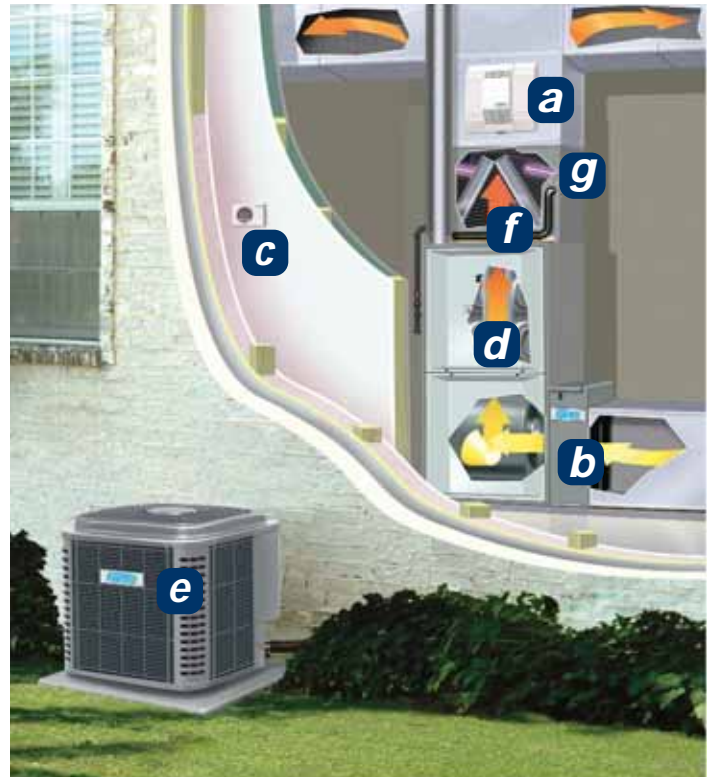

**3 Energy Savings**  
Multispeed PCS circulation blower, induced draft blower assembly and gas valve help make the DLX 90 fuel-efficient.

**4 Quiet**  
The solid door design and insulated, thermally lined cabinet reduce operating noise.

**5 System Monitoring**  
State-of-the-art electronic controls monitor system operation for faster, easier system diagnostics.

Keep warm, keep cool with KeepRite systems.

- a. Humidifier enhances comfort by reducing dryness in the air.
- b. Air Cleaner filters out many indoor air pollutants so the air in your home is cleaner.
- c. Set-Back Thermostat allows you to customize heating and cooling levels and also save energy.
- d. Furnace is designed for maximum comfort and high efficiency and built rugged for years of operation.
- e. Air Conditioner keeps your home cool and comfortable while saving on energy.
- f. Evaporator/Indoor Coil matches your KeepRite air conditioner and furnace to ensure great performance.
- g. UV Lights help prevent the growth of microbes on the coils.

The right choice for your home.
